Mini Course :
Ecosystem modelling and simulation with STELLA

Date: 4/19, 4/26 (9:30-16:00)
Venue: 台北大學公共事務學院613教室
Instructor: Shu-Li, Huang

🏷️ **4/19 (Monday)**
am:
- Ecology and General System Theory
- Energy systems diagramming
- Mathematical representation of energy diagram
- Mini-models representing ecosystem growth (development)

pm:
- Simulating Mini-model
- Exercise: Diagramming using PowerPoint

🏷️ **4/26(Monday)**
am:
- Simulation using STELLA

pm:
- Hand on practice of simulation with STELLA
